“ Rita,
I just recently stumbled on Jim's obituary. I was heart broken to see that he had passed away. Jim was one of the finest people I've come to know. He was responsible for me wanting to become a nurse anesthetist. He was such an excellent role model. I'll always remember the times we had at McConnell AFB in Wichita and spending time with you and Jim and the girls. You both are such a great couple and I know you will miss him. Pat and I will keep you in our prayers. God bless you, Rita. If there is anything we can do for you don't hesitate to let us know.

“ Dad taught me I can do anything a boy can and you're not going to get anything on your hands you can't wash off. After my first fight in school, he said he'd be mad if I hadn't fought back. And a surprisingly pleasant mantra we all grew up with regarding the phone, "keep it short, I'm on call". Well, he's on call 24/7 now. I love you Dad.

“ Rita and family,
I am so sorry for your loss. I worked with Jim for 5 months at Triad Eye Clinic. He was always friendly, upbeat, and helpful to me. I also, enjoyed seeing him at Church. He was such a good man!

“ Rita and Family,
So sorry for your loss. Jim and I worked at The Veterans hospital together. We had some good times and some not so good times. I'm sure he would come home and feel your ears with complaints about the chief we worked for. He was always the calm who kept us sane. He will be missed. The world has become less with his passing.

“ I extend my deepest sympathy to Rita, the love of his life, and to Ann, his daughter. May you find strength in those tangible memories of his life. I truly miss seeing you, Miss Rita, at our polling place and working with Ann during tax season. You are a beautiful family that God loves. May you find comfort and peace in the love you shared with him as a spouse and dad. I love you!!!
