

Timothy Christian Allison

January 10, 1993 - April 23, 2021

Timothy Allison's spirit took flight to his Heavenly home on April 23, 2021 at the age of 28. The grand adventure of Timothy's life began on January 10, 1993 in Muskogee, Oklahoma. Always an over-achiever, he insisted on starting homeschool with his older siblings when he was almost 2 years old and graduated from high-school at 16. After a month-long mission trip to Taiwan, and with other mission trips scattered throughout, Timothy tested out of his college classes with less than 2 years of study and received his Bachelors in Business Administration from Thomas Edison University in 2012.

Timothy then spent a year in Taiwan teaching English in their public schools. Timothy's travels included mission trips to Singapore, the Philippines, Southeast Asia, South Korea, Brazil (Amazon area), Mexico, Costa Rica, Hong Kong, Alaska, and many stateside mission trips. Along the way, he became at least conversational in Chinese, Portuguese, and Spanish. His interests through the years encompassed football, photography, piano, guitar, tennis, antique car restoration, motorcycle riding, sky diving, kayaking, and kite surfing, to name a few, all of which he commenced with the intent to become a professional.

Timothy paid cash for his first fixer-upper house, took a 1,367 mile bike trip with a friend to raise awareness for human trafficking, dug water wells for villagers in the Amazon jungle, built houses in Alaska for flood victims, and restored homes in an Indian Reservation.

A jack of all trades, Timothy's enterprises included home construction, home inspection, and cell tower construction, along with car, plane, and house flipping. In addition, he was EMR, Scuba, and A1 computer certified. After only 2 weeks of job-shadowing his Uncle Curt, he began repairing appliances as a teenager, which led to starting his own company, RSG Appliance Repair. God and RSG sustained him throughout flight training and the many levels of certification thereafter, until he was finally positioned in his dream life of Allison Aviation. Timothy's blessed life included flight instructor (boasting hundreds of students), charter pilot and diver driver, with some undercover manhunts thrown in for fun. At a young age, Timothy made a decision to follow Jesus Christ as his Lord and Savior and was baptized at Keefeton Freewill Baptist Church. He memorized large passages of scripture and even as a preschooler, could recite entire Bible chapters with his siblings. Years of meditating on Scripture contributed to his amazing success in life. But rather than

keeping that success to himself, he used his magnetic personality and generous spirit to invest in the lives of countless others and motivate them to live their dreams, as well. Believing he was indestructible until his purpose was finished, Timothy lived in confidence and assurance that God had his back, so there was nothing to fear.

Timothy is preceded in death by infant siblings Benjamin, Jeremiah, and Jordan Allison; Maternal grandfather Gary Price; and Paternal Grandmother Mary Doster.

Timothy is survived by his parents, Herb and Kim Allison; siblings Caleb, Bethany, Joseph (wife Shaelee and children Brantley, Baylor, and Bella), Hannah-Grace, and Jubilee Allison; Maternal grandmother Jane Price, Paternal Grandparents Herb Sr. and Ada Allison; Special cousins Sarah, Susannah, Natalie, Andrew, and Charlie Price; special uncle, Curt Price; and a multitude of relatives and friends who claim Timothy as part of their family.

In lieu of flowers, please consider donating to one of the many charities Timothy supported:

Traffick 911 (freeing youth from sex trafficking. Timothy was a Legacy supporter.)

She is Safe (rescue, restore, and equip at risk women and girls globally)

Living Waters (equipping Christians to evangelize. Timothy received a call from the CEO, Ray Comfort, due to his substantial contributions. Ray was surprised to find out that Timothy was a humble appliance repairman at the time!)

Samaritan's Purse (Providing Christian relief to a hurting world. Timothy worked with this organization in Alaska, and was convinced of their legitimacy. He said they were the "real deal.")

Global Equip Ministries (This is the team Timothy joined to drill a water well in the Amazon jungle, and other ministry trips. He knew the CEO Paul Perry personally. Specify the Timothy Fund.)

Gospel for Asia (Timothy was so excited as a youngster, to save up enough money to buy a water buffalo through this ministry for a family in an indigenous country!)

Your local church (some churches have been hit hard because of the pandemic and low attendance. Donate in Timothy's memory.)
