“ I really looked up to Bud since I met him in 1975 on lake Tenkiller, he was the best fisherman around in those days and through the years before his legs gave him problems. I will miss Bud, even though I didn't get a chance to fish with him, he taught me quite a few techniques about bass fishing and fishing competitively. He wanted me to go fish Tablerock Lake, MO in the 70's and see what a beautiful lake this was and he was so right, it was and still is the most beautiful lake I have ever fished. Rick Garner
