“ Aaron,

I think about you all the time still. You were more than just my cousin, but one of my best friends. I remember the times we spent at MeMe's for holidays. My favorite was our trip to Tennessee at aunt Brenda's when we did crazy things. I will always remember you my friend.

“ *I'm over whelmed by this. Tom/Charlene I cannot begin to imagine such a loss. I have always had him in my memories of a wonderful life. I feel blessed that he shared part of his life with me and my family. May God receive you with open arms. If there is soccer in heaven, and I believe there is, Aaron show them what you know. Score one for us. The Force be with you.*

“ Aaron was an essential part of the Alorica leadership team. He was interning for a future management position -- I truly consider him already up to the task, and in my mind he will always be a member of this family and team. He was a tremendous individual and inspiring in every way.

If there are any services, the Alorica team would like to attend. We also have some things we would like to give his family.

Please reach out to us.

“ Aaron was a friend and colleague who always had a smile or was willing to help any of us. Truly a great guy that's gone way to soon.

“ *Aaron,
You were an amazing part of our LAQuinta extended family, you were a irreplaceable asset to our branding and what we stand for. You will be missed by many, not just for all of your help with everything you have contributed, but for your fun, easy going personality, and your knowledge to share with others. You will be missed by many and have impacted more people then you probably ever knew of..... Simply put, great guy!*

“ *First off my condolences to Tom, Charlene and Alanna. Words cannot express the sadness I feel for your loss. Aaron was my best friend growing up and the majority of my college life. We grew apart too quick with time with so much left unsaid. Too many stories to share, he will be missed. If there are services please let me know or where and how I can pay my respects.
