*I will always remember Mrs. Riley with fond memories. She was my boss and the Court Clerk for Muskogee County. We campaign together during the time she worked and we all worked together. I always remember her with a gracious heart. Sleep well with the angels, Adaina. We are going to miss you. Evon Ingram.*

“ My beautiful friend has gone to a home to meet relatives she had never known. They greeted her and they and Jesus welcomed her to the place she had sung about many times. "When we all get to Heaven." What day of rejoicing it was when she joined her many friends and loved ones and sung around the Great White Throne. I can still see that big 'Adaina smile', no matter how bad she felt. She always was friendly with everyone she met. I've known and her family for many years and she always made everyone feel important and loved.
