“ I have known Alan for better than 50yr, we graduated Muskogee High together, I always considered him my Friend. What I remember most about Alan is his attitude toward others. He is nicest friend I have ever had, I did business with him (both his and mine)in the 90s. He was a Prince of a man, he is loved and Admired by many. I'm very proud to have known him and to have been able to call him Friend.
