Conoci al Hermano Albert por primera vez hace 13 anos cuando vivia en un pequeno pueblo en Colorado, el y Karen fueron a recogermen a mi y a mi madre y nos llevo a la Cena del Senor, nos hospedo en su casa y que bendicion y honor de haberlo conocido. Karen I just would like to tell you that I'm really sorry about the loss for all of us, I remember the firs time we met you guys. you took the road trip to Lamar to pick up my mom and I to attend to the Lord's Supper, what a blessed time we had. Love you guys and will keep you in my prayers...

“ I considered Albert to have been my youth pastor when I was a teenager but it was never an official position the church gave him, it was just how he was. He loved God so much and he loved people a lot too. He had my sisters and me over to his house constantly, even when he was not doing that well financially. Later on we trained as pastors together and we eventually moved away from Colorado Springs, CO where we met. We took every opportunity to meet up again when we were in town or at some church event or even talked on the phone. We shared our spiritual struggles together, waded through the tough situations first time pastors face and we loved to be out in God's creation hiking, biking or whatever. It didn't seem possible, but Albert was always getting better with age, being more like Christ to all those who knew him. He was a tenacious worker and always had a funny story to tell. He lifted my spirit each time I saw him and was one man who sharpened my walk with God as iron sharpens iron. Rest in peace my dear brother in the Lord until His coming in the clouds, I'll see you again on that Last Great Day.

“ I had the privilege of working with Albert for a while and he was always in a positive mood. He would always ask to pray before we did any job or stopped to get a bite to eat. He is a great person and taught me things about the bible that I did not know. He was a good friend and co-worker. He always talked about his wife whom he loved dearly and his children whom were the highlight of his life. You will be missed my friend. Godspeed.

“ Albert always had a smile and a kind word. He was always willing to lend a hand and he had a compassion for people that was contagious. The thing that I think I will remember most about Albert is how important his children were to him and how he was striving to be a good father and teach them about God. When he, Karen, Evelyn, David, and Grace stayed in my home when he came to preach at our church, I loved watching his interaction with his children. Albert has finished his race, but he has left a legacy for many to follow. His testimony and his life has and will inspire others to follow Christ and to serve God. May we never forget that Albert loved God and that he loved people . . .may we add that to our lives in a daily basis.

“ I met Albert in Oklahoma city about 5 years ago. He became one of my closest friends. There are many memories of times that we share together. We drove from Michigan in summer of 2011 for about 18 hours. It was great to be with him and share many things, dreams and troubles. Last Time I saw Him was at a refinere in Tulsa were we used to work. That day He told me that I should keep going in the path I am going and to not desmay for the troubles of the construcction work. I will always keep his advises with me and never forget about how humble he was. He will be my example and I was looking forward to work as pastors in the Church but now He will be missed. Albert I'll see you later man.....

*We lift you up unto the Lord
In this time of grief
We pray the Lord will be to you
The comfort that you need
And when you have no answers
To all the questions 'why'
Know that God is in control
And is thereby your side
He understands the way you feel
And knows the loss you face
So rest in His eternal love
For there you'll find His grace*
