“ *My deepest sympathy to all of you, Alice's precious family. I share in your grief for my dear, dear friend of sixty- two years. We met in Fayetteville when we both pledged Zeta Tau Alpha. We then became life long friends. I considered her to be a best friend through out all of these years. Our years of traveling with our other Zeta sisters became one of the highlights of my life!!!!. She was always the most fun. I am heart-broken and will miss her. My love to each of you,

“ *Thank you, Mrs. Hendrickson, for your patience with and kindness to me when I was an annoying preteen and teenager! I was one of her students in the '70s at Hilldale. What a kind and patient person she was---perfectly suited to being a teacher. My heart goes out to Karen, Debbie and Chris and her many loved ones. I really enjoyed looking at all the photos. It looks like she really enjoyed life.*
