“ Alice was such a special woman. She lit up the room when she entered. She holds a special place in my heart and we were honored at Country Gardens Assisted Living to be able to share the last few years of her life with her and even her brother Harold. I thank you Mike and Debbie for bringing both of them into our lives. Alice was our ambassador here at Country Gardens and took the job seriously. She wanted all new residents to feel welcomed. She took the time to get to know everyone and would spend hours visiting with each person. I love you Alice and will think of you daily!

“ I loved Alice! She and Virgil and my parents were best friends. They laughed together, played cards together, took many trips together, and shared countless meals together! Alice was the friendliest, least inhibited (while still maintaining her class and charm) person I knew. She was a great help and loving support to me when my parents died, and I will remember her with love!

Two days before she died she had a dream. She said she was with Virgil. They had went to eat with Van and Oleta. And she said they were laughing and having such a good time. But the pie was the best....just wanted to share. Something tells me she's going back for more of that pie.
