“ Dang girl this is not the future I had in mind when you spent weekends and summer nights with us growing up...and even as you cried on my shoulder the night you lost your stepdad...and went with Sally and Peyton to Peyton's aunt's in Arkansas that weekend .. Always thought of you as one of several second daughters. Bless your heart...which is finally healed.

“ Allison is really gonna be missed. She was a fireball at times but deep down she was a really caring person. My heart goes out to her loved one. You will never be forgotten..

“ Allison, I love you. I'm going to miss everything about you. I know you'll be watching over your babies from heaven, because you are such a beautiful mother. Maybe every now and then you can look in down on me too... I will be looking back, thinking of you too. I know it won't bring you back, but i can't help but wish we had more time... even to see you one more time, to hug you one more time, to tell you how much I love you, how much I've appreciate having you as my sister. I guess we don't always get to say goodbye. I love you sis, I'll see you again someday, until then, I'm going to miss you.
