So sorry to here of your loss. Ana will be missed by all who knew her. The world is a little dimmer and certainly less interesting now that she is gone. My thoughts are with you, be well.

“ Ana was the first person I met when I moved to Muskogee. I was her close friend from around the corner. She loved having people in her home to share a great meal and a glass of wine. Hard headed and stubborn, but was always there when you needed her. Ana had a bold personality and was not shy about telling you how she felt. She was always supportive and there for me during some rough times. She was a wonderful friend and will be truly missed. Much love to her family.
