“ You know my heart and know what you mean to me. We always knew what each other was thinking without saying a word. I know you will always be with me and I'm blessed that I had you. You are forever a part of me and that can never change. I love you sister.

“ *I am deeply sorry for the loss of cousin Andrea.*

As kids my cousins were more like brothers and sisters. Brothers and sisters I actually wanted that as is. Andrea will always hold a special place in my heart, and nothing can ever take that away. Although she may no longer be with us, her spirit, her warmth, and her love will continue to live on.

As we mourn her passing, remember all the wonderful memories you shared, the laughter you shared, and the bond you had. Your love for each other will never fade, and the legacy of her life will continue to inspire all who knew her.

To her immediate family, please accept my deepest sympathies during this difficult time. May God give you strength and peace in the days ahead as you honor and cherish the memory of Andrea.
