“ *One of my best memories came from Nee Nee. Nee Nee made my "Babies First Christmas Ornament." I always remember each year holding it and looking everywhere on the tree.... spend soo much time trying to find the perfect place for it. That is a memory she had given me to always look forward to each year. I plan on continuing this as well with my child(ren) and think of her and say thank you for these wonderful times to cherish and look forward too. As you said to me that brought tears but a peceful feeling in my heart, "Always My Nee-Nee" Love you so much. I will see you soon one day at the Golden Gates! Missing you ~Jazzy*

“ *My dear Anita I met you thru your son and my world was so much better for knowing you. I will always remember our long talks and our laughs and tears together. You were like a mother to me from day one and I consider you to have been one of the BEST friends I have ever had in my life. You always told me that you would always be there for me and you kept your word till the very end. I LOVE YOU AND MISS YOU AND WILL ALWAYS HOLD YOU DEAR IN MY HEART.....*

“ I will miss seeing you around. I have memories of you in the kitchen cooking up those wonderful meals that you always prepared - loved coming to eat with you and your family. I don't think I have ever met a more caring and giving person. You raised such a wonderful family and I don't think you ever met a stranger. You will be missed!

“ My best friend. I had no idea I would miss u as much as I am. There is a definite empty spot in my life. I do hear your voice in my head at particular times when I would have been talking to u. Makes me wonder about things. I think u will be with me always.
