“ Re: Annie R. Cook, Mother to Tony Cook

I never met her, not once. But, I personally witnessed the love and continual dedication of her son Tony in these last few years, her time of need. She was blessed with the love of family. Tony has worked for me for many years and I have never seen a more committed son and family member. I supported his time off to attend to her needs, not only because he was and is a great employee and both earned and deserved it, but also because he is a friend and that is what you do; support your friends when they have needs. It was a great lesson for me to watch in real time; unconditional love no matter how difficult the circumstances. Godspeed to you Annie! I will be in Court during your service, but your family knows I will stop at 1:30 tomorrow and pray for those grieving your loss. My very best to all the family!

“ Ann has been a dear friend since 1961 and we treasured her friendship all these many years. Our families shared many good times together in each other's homes and camping on the Illinois River. We are left with lots of wonderful memories for which we are thankful. It is comforting to know she is with the Lord. Her rewards in heaven must be numerous as she remained faithful in her service to others and to the Lord. Our love to all the family. Bob and Joyce Reeder

“ I had the pleasure of have Mom in Florida with me for a number of years. She lived on her own for a few years working for Granny Nanny's, as she put it "setting with old people" We finally decided it was time for her to retire. She was in her late seventy's when she did but volunteered at the V. A. hospital 4 morning a week, Friday was hair day. Mom you will be greatly missed from Oklahoma to Florida and Back. Love and miss you Tommy

“ Words are hard but loving Nanny was easy. She accepted me into her family and never let me go. My life is richer because she shared hers with me. She taught me precious gems about being a mom to an ornery boy, she taught me how to give, how to make gravy and she tried to teach me how to sew. Her talents and gifts were many and her faith was strong. And now, I'm positive she has heard her Savior say, "Well done my good and faithful servant. Great is your reward." Debby Cook

“ I love this lady so, so much! The times our families spent together we're some of my best memories! She and Mom have set an awesome example off what friendship really means. I pray every day my girls will make a friendship such as this because it was truly amazing. Lots of love to you, Tom and Tony ❤️. Ann has waited many years to be with our loving God and it makes me smile to know she is with the One who loves us most.

“ Aunt Ann was a sweet lady and always treated me well. She made the most amazing coconut cake that was the best I've ever eaten. She will be missed. My heart goes out to Tony and Tommy and I'm praying that God will fill them with peace. We will see you again, Aunt Ann!

“ Aunt Ann always treated me like another son and always had a smile ! Unless of course we did something stupid, which was more often than not ! Spent a lot of time at their house since it was only a quarter mile across Gott branch and through the woods. It was one of my second homes. She was a strong willed, good hearted and loving Aunt. She will be missed and hope to see her again one of these days. Wishing You Gods speed Aunt Ann ! Love You, Kendall

“ The greatest mom any man could have asked to have. She helped make me into the man I am today and am so very blessed to have had her as my mom.
