Tony always looked out for his mom and knew that we loved him. Love to all his family and friends and knew that we loved him too and followed him on Facebook. Our health is too frail to travel now, but he also KNEW that we loved him very much. His Aunt- Helen Hickey

“ I've known Tony since he was born. Oh the love of cars, trucks and motorcycles, and his knowledge of all things with a motor. I think it all started with bicycles. He always had the most cool ones. I will miss his great smile and our occasional catch up chats. He was a sweetheart and will be missed greatly.
