“ *I am so honored to have gotten the chance to meet such a great man. Art always had a smile and a joke to tell. He knew his way around the grill. Just call him grill master Art. We enjoyed hearing stories from his truck driving days, the different places he got to visit and the many people he got to meet! We are blessed to have gotten the chance to spend time with Art, Linda and family. I know Todd is very grateful for his last visit with his dad. They got to do something Art enjoyed doing -fishing and catching up like hens in the hen house.. RIP Dad. Love you Kelly & Todd Erie! Keep smiling and share them jokes!*

“ *Thanks for all the hourly phone calls that were filled with concern and family thoughts. It was so fun to see each other could listen to that laugh and see that great smile and twinkle in your eyes. I will miss you.*
