“ *I am so sorry to hear of Audrey's passing. Andy, you and your family are a major part of my St. Paul memories through the years. One that stands out is the book Audrey inscribed to my children upon the death of Beulah, their grandmother. She told them that she hoped the book, as they had it read to them, would bring back memories of their grandmother. It was such a blessing to them, one that they, and I, will not forget. Blessings to you and your family as you continue on without your precious wife, mother, and grandmother. She will be fondly remembered.*

*With deepest sympathy,
Margaret Wagner*

“ Audrey gave me my job at the Wagoner dealership and shared everything she learned in years of running their offices. I was so lucky to have her as my mentor as well as love and friendship for the past 29 years. I will miss her but know she is in a great place. Allt my love and prayer to Andy. Gloria Smart
