“ *Betty was a dear friend to me. Together we had many gardening & herbal adventures through the years. She loved life, was full of spunk, and always on the go. She was the Herb Lady of the area for many, many years. I will always remember you, Betty, each spring when the garden wakes up and whenever I am working in my greenhouse I will remember your greenhouse and the enthusiasm you had for life. I will miss you.*

Dear Curt and Brad. On behalf of Marsha, Mother and myself I'm sending our deepest condolences. Just today, we heard the sad news. We all loved Betty and have such fond memories of times spent with her growing up, and as adults. She was always very good to us, and a great friend to mother.. Big hugs for you both, and keeping you both in our prayers.

Thanks to all who have and will post on this site. You all were dear to our Mother and it is so touching for your thoughts and prayers. I wish I could personally thank you in person. Since some of you did not make the visitation or funeral.
May God Bless, Curt
