“ *Beverly was truly one of the sweetest ladys I have ever known. Sorry I did not know of her passing away until now. DeWayne has had a couple of back surgeries this summer and we had to move into a house with downstairs bedrooms after 30 years in the same house with all bedrooms upstairs. We have some many good memories especially camping when Uncle Ruben was alive. Great times. Lots of laughs. Never treated us like we were kids and to young to be included even with our three children tagging along. Jon I cannot tell you how much my prayers will be going out for you. Such a priviledge to be a part of your lives and especially your friendship. We will be sad but think of everyone rejoicing in heaven that she is seeing again. I love you and there is not words to tell you how much. You are blessed with a wonderrful family. Our prayers will be with you. Ona and DeWayne Goodman*

“ *Jon, my Son in Law, Chris Bowley and the rest of the family. My heart and Prayers go out to all of you for your loss and that God will ease your pain. Just to know Beverly bought joy to my life, we always enjoyed just sitting, talking and laughing with Beverly and Jon. We all know she's in a better place than we are. It won't be long till we be with her again. What a reunion that will be.*

“ *Jon, I am saddened to hear of this loss for you and your family. Our prayers are with you.*

When we lost David in January, having you and Beverly there was such a blessing.

Bev in her calming and loving manner provided words of encouragement and friendship so desperately needed to help me through that difficult time. There are few people with as much compassion and heartfelt caring as she has shown in her lifetime...she has made an imprint on many hearts and will truly be missed. Alta Hayward

“ *Jon and Family - I am sorry for the loss you have suffered but what a blessing knowing Bev is now rejoicing in heaven with the angels. What a wonderful person Bev was.... always the first to offer the biggest hug anyone could give. Our family was very blessed to have known her and call her "family". We will miss you dearly Bev and will see you again soon. Give Momma LeeAnn a hug from me. Love you lots*

“ We have known Beverly for 30 years, and if there is one word I would use to describe her it would be "Faithful". She was faithful to our church, Grace Ministries. No matter what the service or event, you could count on her to be there. She was faithful to her family, a wonderful mother and adored grandmother. And she was a faithful friend, always offering a warm smile and and big hug. We loved her and will miss her dearly, but would not call her back for the world. She is having quite a reunion in Heaven, and I'm sure she's filling Lee Ann in on all the adorable things Natalie has been doing! Have yourself a blast, Beverly, and we'll all see you soon.

“ Dear Jon and Family: Beverly touched my life in so many ways. I will miss her terribly. I can still hear her voice saying, "Oh, now Honey ", or "Well, I'm not going to say anything," -- at which point I knew to get comfortable because she had a LOT to say and she was going to say it! I loved her dearly.

Dear Family,
Even though we only knew Beverly for a short time, it was easy to love her and feel like family. When Courtney became a part of our family, we feel very blessed that Jon and Beverly were also included. We will miss her, but are very thankful for the time that we were able to be a part of her life. We love you, Gram!
