“ I loved my Aunt Jackie. My favorite memories are when we would come see my family in Muskogee every summer. She would always ask if we brought her any of that good Missouri water for her. Loved going to Ft. Gibson and picnicing by the dam. She always had a smile, warm heart, and lots of love. I can still hear her laugh. I will miss her dearly.  
Sending all my love to my Okie family.

“ Mom never met a stranger. she always had something to say to everyone she met. and after you met her, you never forgot her as she definitely left an impression on young and old alike. she loved children and children were drawn to her. She had a great sense of humor and we never knew what she was going to say. She was the strongest woman I have ever known and overcame so many obstacles. She had great faith in Jesus and the power of prayer. I miss my mom every day. I hope when challenges come, that I can have the strength and courage she has shown. I love you Mom. you were one of a kind.
