“ *What a wonderful Christian Lady! God and the other Angels are rejoicing to have Billie home! She worked everyday to take this final trip. I don't think I ever had a conversation with Billie that she didn't give God the Glory. She loved Claybourn and all her family so much. May God continue to wrap you in his love and give you peace.*

Billie Carol (Puckett) Seward was my life long friend who felt more like a cousin. She was my friend for as far back as I can remember... we lived in the same rural community and attended Jobe School together. She was one of the most pure of heart, gentle souls that I have ever known. I missed our phone visits after moving away from the Muskogee area and looked forward to her Christmas greetings every year. Our thoughts and prayers are with Billie's family in this time of sorrow. Rest well in the arms of our Lord and Savior dear friend.

“ *We have known Billie for over forty seven years and she was a wonderful loving and caring person. We saw Billie when she was helping with the Christmas Home Tour in her daughters home this last December. Our families have been friends for years. We had lots of fun camping and swimming at the Baron Fork Creek. Our thoughts and prayers are with you all and your families. Billie will be missed.*

“ *Billie was a beautiful Christian, and she was my friend. We enjoyed a long phone conversation just last week. I will miss her friendship, but I know that when she took her last breath, she entered Paradise. She lived her life for her family and for the moment she would enter into the presence of the Lord. My prayers are for her family. I pray comfort and peace for today and for the days to come when they will want and need her. I pray they will be consoled by the wonderful memories this beautiful Christian wife, mother, grandmother, great-grandmother, sister, and friend has left us all. She will be sorely missed by many.*
