“ *I just saw this. Billy and I have been friends for decades. I'm shocked to see that he had passed away. What a great guy. A true friend. We ran in the same line of work for many years. We once worked together a correctional center for youth. I just can't believe this. I adopted out my patrol dog, "Benny" changed to "Boss" to Billy. He was definitely a man of principle. I will miss him. Godspeed, Billy. Trace.*

*Bill was my sons soccer coach years ago and really enjoyed his coaching and had a great time at every game! He was passionate about the game and even had a ref tell him to leave the field because he argued a bad call! He had to set in his truck the rest of the game! He was a good friend off the field as well! Rest in Peace my friend, you are loved and missed!*
