“ *We are extremely sorry for the loss of Billy Joe. We worked with him at Sequoyah Fuels and we will forever miss his laughter and his "craziness". He was always willing to help out. I remember a certain cake I made him for his birthday, he truly seemed to enjoy it and we all laughed. I still have a picture of him and that cake, so he will be in my heart for a long time to come. We will miss you Billy Joe.*

“ *I will always remember Joe as one of the best men I had the privilege of knowing. He truly was a great man and he will be truly missed. Joe always supported our ball teams and I could always count on him for anything we ever needed. I will always remember how he would tell me that he would take us out for ice cream after the games, but I would only get sprinkles if we won! He will always have a special place in my heart.*
