“ *Billy Joe "Red" Tollett*

October 23, 2023 at 09:38 AM

“ *I first met Red through his son, my good friend, Billy. I thought I knew how to fish, until I met Red Tollett. He could catch fish anywhere using anything. He showed me how to catch fish with Zote Soap. Our fishing trips were full of memories and laughter. I wish I could fish with him just one more time. "Golly."*
