“ I'm going to miss Bob so much. I always enjoyed his calls, and hearing "Hello Miss Breanna! What do you know?" He kept me going through a lot of the hard times at work, and he was like my work grandpa- always there when I needed to talk or keep my spirits up when things weren't going well. I'm going to miss you Bob, and my prayers and thoughts are going to his family that he's left behind.
