“ *Wes,
We were sadden to learn of your Mother's passing. These times must come to all of us eventually, but we are glad that you had so many good years with your Mother. From the pictures, we could see that she was a central figure in your family and was happy and proud of her family.*

“ *Bonnie was my mom's (Lillian Hunter) longest dear friend. Our families shared many memories and our dads worked at VA and mom's at Funsten. I remember many visits to the Jackson house. Ironically our mom's died a month a part. Love to you three guys and your families. Bonnie was beautiful inside and out. Love Sharon Hunter Leeds*

“ *Gale and I worked together at the VA Hospital in Muskogee and I first met Bonnie in 1970. I remember telling Gale she was too pretty to be married to him which of course he agreed was true. She was a beautiful lady inside and out. She never changed always a loving and happy person. She will be missed by all her family and friends.*
