“ *Brenda was such a special person. The beautiful quilt she made for my mother is a treasure to me as now I receive comfort from it, wrapping it around me when I think of my mom. And now I'll also remember Brenda as well. Th quilt represents prayer love friendships from First Presbyterian and Brenda's service for others. Brenda always asked "How's Jim" if he wasn't at church, or "How's your mother?" When she could milo her come to church. Brenda lived her faith. Love to her family.*
