“ *Brian, was the first lab manager to give me a job in the lab. He was so patient, kind, and taught me so much. I have wondered about him many times over the years, as to how he was doing, and where he was. Someone had told me he had gotten married, and was doing great. I was happy to hear this news. To Brian's family, friends I am so sorry for your loss. We all loved him here at Haskell County. Prayers for comfort right now.*
