“ *As Caleb stepmom, i only knew him a little over 5 years. In that time we had a good relationship. When he first moved to Muskogee we hung out a lot. He loved to talk with me about the Bible. When he got his 1st apartment he always called. I loved Caleb like my own. I will miss him a lot. After his hospital stay and losing a lot of memory, it broke my heart spending time with him and seeing him struggle. Fly high Caleb, God needed another angle. I know you were so happy to see your mom. I'm happy for you.*
