“ Dearest Carol, my family and I missed out on so many years with you, your family, Janice and her family. But once we were reunited the gap in years just disappeared. You will ever hold a place in my heart and thoughts. You now can help my mom keep my dad, PeeWee, in line up there. Gosh we know he needs it.

Love you always

“ Carol was my Best Friend since childhood when we shared everything. During our adult life she was still my Best Friend and we shared everything. When she would ask you to do something, she would always reply, " I'd Do It For You." That's the type of person she was always willing to do whatever for you. I will miss our long talks of days gone by, but you will remain ever so close to my heart. Until we meet again keep the Light on!

I can say this carol was very honest if you didn't want the truth you better not ask her opion she would tell you like it was she didn't beat around the bush or tell you what you wanted to hear.
