“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. The life insurance we buy is really preparation for death. But the life insurance Jehovah God offers is the destroying of death itself and all the things we can think of that causes it. He will do this through His Kingdom that His Son Jesus Christ is King of. We can gain comfort now through the Bible. And in the very near future we will hold our love ones again. We all will live happy healthy lives forever in exquisite delight and in an abundance of peace here on earth.

“ *Jeanne and I were more than sister-in-laws, we were Sisters and best friends. Jeanne was the most loving and one of the strongest women I know. She loved her family and friends so much and loved it when her family came to visit. Even though we cannot see or talk to Jeanne, we will have her in our loving memories we shared with her and she will always be in our hearts. Jeanne we all love you and will miss you so much. Your Sister, Carolyn*
