“ *Uncle Robert and Aunt Carole Thompson did a wonderful thing for me. At the age of 15 I was invited by them to come to Galveston Beach to stay with their family in a really cool Beach house. For a MONTH. I truly appreciated that beautiful time getting to know that family so much better. It is still one of the highlights of my life.*

“ *Carole was a wonderful woman & I loved her very much. I shared many happy times with her & Robert. I traveled with her, fished with her, went crabbing and many other things to numerous to list. I also worked for her & Robert from 1973 until they sold the business in 1999. They were great employers and I enjoyed working for them.*
