“ *One memory comes to me out of the many. He was at Beverly and I house late one afternoon eating supper when a report of the BP oil leak which at the time was in the third week. The report showed underwater film of the leak and I said, Charles this has been going on for weeks, why can't they stop it? He said ( they can and went on to explain how). In a very few words he told me the solution and I thought that seems so simple.*

*Much later when they finally stopped the bleeding I was watching the news and they said they got it stopped the exact way Charles said.*

*To me,he was a remarkable Man and a good friend and Father in law...*

*I look forward to seeing him and Wanda again one day.*

“ *Uncle Charles was one of My Favorite Talley Uncles!!  
He worked in a Carnival when he was a young Man. Along with his older Sister, she got him the job & lied about his age so he could get the job!*

*He was always in Carney mode.*

*I will Miss Him A lot!*

*Say Hi to Mama for me.*
