“ It has been a blessing knowing her since we were young girls at Central Baptist Church. Later in life she and her husband Tom were in the Ministry at Oldham Memorial Baptist Church and for a brief time I attended the church and a deep trauma occurred in my life and they were there to comfort and pray with me many times. She has always been a devoted and dedicated friend, pastors wife, mother, grandmother and christian and was a blessing to every one that had her in any part of their life. When I found myself alone moving into a new home , Charolette was over there putting up shelf paper, polishing woodwork and helping in anyway she could to help me get my home ready to move into .She was deffinetely not just a fair weather friend. My last Sunday morning before I moved from Muskogee, she had suffered strokes and was sitting in a wheelchair at FBC and I kissed and hugged her goodbye, and there she was expressing concern for my health. That is the type of person she was, always caring for others. She was a light in my life that I will treasure forever "until we meet again"

“ *We were neighbors on Chestnut Street growing up. She was the "older" one that we always went to for anything we needed. Her nieces, Debbie and Myrna and I used to give Charlotte and Tom a hard time when they were dating. Anything we could do to annoy them we seem to do....how many times did she tell us to leave them alone. She looked so much like her sister Owetta. My prayers and thoughts to Owetta, Debbie, Myrna and Tom in their loss of Charlotte. She was a great gal and I know she will be missed by all.*

*Charlotte was a dear friend. I have lots of wonderful memories of her. Kind, considerate of others, and always loving. Our art classes with my sister(Carolyn said to tell you how sorry she was for your loss) were our greatest times. I will miss her and my prayers are for all of you and your families.*
