“ My earliest memory of Bud was at Granny Oman's during the holidays. I can remember him looking just like my dad and thinking they were twins! Bud always had a twinkle in his eye and a softness to him. You just don't forget those things. When he brought Jeff down HE looked like my brother, Paul. Through the years and "busyness" of life we didn't see each other often. When we did there was always a wonderful connection to my dad. I loved seeing the family dynamic between them. Will miss you Bud!
