“ *I ran into Coach Miller in the Dollar General store from time to time. I remember he had Dusty with him and they had just left church and they were both dressed almost alike. They seemed to be really close. Coach always asked about my parents, and my family and always with a smile! He was a good man with a good heart, and enjoyed being a Coach, and most of all loved God and his family!! Rest in Peace... My thoughts and prayers are with Lisa, Dusty, and your families.*

“ Mr. Miller, as he was known in the classroom, was an excellent teacher! I didn't have him as a coach during my high school years at Haskell. He was always very kind! He will be greatly missed by all who had a chance to know him! Prayers for the family during this difficult time.

RR

My deepest sympathy to the Miller family. Dale was a good man who was loved and respected by his many friends. He was loved as a brother by his friend, Coach Linn. I like to think that the two of them are tossing the football to each other in heaven.
