“ Some people only come into our life's for a short amount of time which is the case with my time with Connie. We were co-workers from a far, but the time we had will never be forgotten, because of this I am blessed with wonderful memories of a true Angel on earth. My thoughts go out to her family and friends, may your loss you are feeling be replaced with joy of the time she was here and the memories that you will hold in your heart. May Peace be with you Connie.
