“ I missed being in your life for years. I'm sad of your passing but at peace knowing that you now know the truth about the Dollar family. Including my family. I'm not writing this to hurt anyone. It's just knowing and being at peace that you love me again. Even as a kid, you always cracked me up being so funny and light hearted. You were always the life of any gathering. I always thought you'd be a great stand up comic. While eaves dropping on the adult conversations, you always made me laugh. I'll see you again soon, Jody
