“ Cindy and I worked together at a community agency back in the 90s. She was always so kind and welcoming. Years later, our paths crossed again through our jobs with different agencies that partnered together. Cindy was always easy to work with and was a strong advocate for the individuals we both served. My sincere condolences to the family on the loss of such a wonderful person.

“ *Cindy Cook believed in so many people, even when they didn't believe in their selves! She saw the best in people! Her work was a calling on her life, and so many people here at Bridges look to her for inspiration! She is so loved by SO many, and this truly will be a loss in this world we live in! She was a true light of Jesus, and she will be greatly missed! The family is so blessed to have had a momma like her in their life! God bless you all!*

“ *Cindy was an Amazing Earth Angel. She saw the true value and talent in everyone. She would often share about her experiences with people and how they were under estimated ,if they had a disability or not. Cindy always encouraged All to be their best self. She had an awesome ability to Calmly smooth out the most volatile situation. Our Human Services system and our Workforce at the Bridges Foundation was very Blessed to have such an Awesome worker and we feel our loss. To her Family, please know that you were Loved by Cindy* 🥰❤️🙏✨🌸💖🌈
