“Cindy Hart was one of a kind. Giving her heart to whatever she could find for her hands to do. Many wonderful memories. We pray for you Brother Mike Hart. My longtime and faithful friend. Jeremy and Jason, our heart grieves for the whole family. Heaven is richer and we are poorer in this life due to Sister Harts departure. What a glad reunion day that God is setting up for us.

Mike, Jason, and Jeremy, words cannot express to you how very sorry I was to learn of Cindy's passing. This was something I stumbled across just yesterday because had I known, you know I would have been there for my sweet friend of so many years. Oh how I cried and apologized to her when I found out from afar here in Kentucky. I wish I would have known she was sick. I would have come to see her. I want you to know how special she was to me and remained so and always will in my heart. She was one of the best friends at the VA I ever had and I missed her so much when she retired. I wasn't fortunate enough to retire until November 2022. Cindy has always been in my heart and always will be. I pray she knew that somehow. I am so sorry for your loss. Know this friend will always love her dearly.
