“ *Granny was always dancing the jitter bug, bossing everyone around, and always getting on to me for popping my gum, and you didn't argue with her, if she said the sky was green you just went with it haha, she drove me crazy but I wouldn't have had it any other way.*

I already miss her so much my heart is broken, she was a special little lady and meant so much to a lot of people, I know she is with Jesus now and has all the angels dancing the jitter bug! So let's celebrate her life
