“ I love you Dad soo much. I wasn't prepared and the ache is hard to bare. I know you are up in heaven. I just want to say thank you for being my Dad. The couldn't have imagined a better one than you. I can't imagine you not being in our lives, but I am so blessed and grateful for the time you gave me. You always had the exact words I needed to hear. I just love you so much. Oh how I do.
