“ *My heart is broken by the loss of this precious man. He was such a sweet soul and gave the best bear hugs. Dannie and Debbie had the type of love for one another that we all wish we had. Debbie, I pray you, Robin and the rest of the family know how much you're loved by my family and so many others and that God keeps you all in the palm of his hand giving you peace and comfort like only He can. Please know that we are here for you no matter the need. We love you..... Bren (BJ) and Gina*

“ *When I think about Dannie I think about a guy who laughed a lot, who was a gentle man, who remained calm through the storms of life, a genuinely kind hearted person who gave hugs freely and always left you feeling warm inside. Heaven is sweeter today!*
