“ *So sorry to hear about the passing of Danny. I knew him from years ago through mutual friends. He always had a smile and I would see him often coming out of the gym. So, glad he found the Lord. He's probably making the Lord smile or laughing right now. May the Angel's of the Lord surround the family and friends and help each and everyone to get through this difficult time.*

“ Danny was my mom's boss at the laundry mat for years. He always
had me guess how many quarters or even dollars were in his pocket
and if u was close enough he'd give it to me. I saw him only a month
or so ago when he came to papa Murphy's and bought pizza from.
A genuinely great guy. He will be missed.

“ *Danny never met a stranger and was always up for a good laugh. He and I shared our salvation & love for our Lord & Savior Jesus Christ, our families, our struggles, work out routines, and life in general. Danny cared about everyone because he was genuine and had a heart of gold. He would call at times to see how I was doing not just because he was a good friend but because he considered me family.*

I will truly miss my good friend.
