“ I remember so much but I especially remember how you didn't like to wear shoes. I remember the old truck you used to take me to school in. I remember the back roads we used to take everywhere. I remember going to the cemetery to visit Danny. I remember playing darts. I remember your laugh. I remember your smile. I remember when you shot the phone because it wouldn't quit ringing and then got mad because you couldn't use it because the 5 was gone. I remember when you got so mad because you dropped a swab down the hole in the oil field. I remember driving with your dad to look at the oil fields. I remember cleaning your mom's house to try to cover your butt because you was not suppose to have a party while she was gone to see Graceland. She brought me a pin that said I love Dave. But mostly I am thankful for the greatest gift you every gave me, thank you. I miss you. I'll see you in heaven and until then I will just continue to miss you everyday..

“ Aunt Nora and Dave's family,
I am so very sorry for your loss. Growing up, I remember Dave being like a big brother to all of us younger girls. Always smiling and so sweet to us even when I am sure we bugged him. I have such wonderful memories of him and Darren from your house and Noreen's and the skating rink. It was one of the best times of my childhood and you were all a huge part of it. I wish I could be there for you as you say goodbye today but don't live there anymore. I wish peace and comfort for all of you as you walk through this sad time.

Love always,
Carla Evans-Bell
