“ *I was just found out about Dave's passing. He built my home in Peachtree City, Georgia in 1995 when I was in the Army stationed at Ft. McPherson in Atlanta. He was a kind person and a superb builder and professional. He was a joy to work with. My sincere condolences to his family.*

Our hearts go out to you at this sad time. We have many memories of happy times together with all of you as you were growing up. May these memories sustain you both as you remember your father and all the gifts he gave to you.*

“ *Please know that all of David's family and friends are in my sincere prayers at this most difficult of times. I did not know him, as I graduated in 1979, but, that sure does not mean that I will not keep each one who loved him so very much in my prayers. I pray that God will give you all the peace and comfort that truly only He can give.*

With my sincere sympathy, Pam Hayes (Maynard)

“ Stephanie & David, you and our children were all very young when we lived in Houston. Charlie & your dad worked together as project managers for Perry Homes. I remember picnics and several family dinners together. Lots of laughs. I have a photo in my cedar chest that I will find and mail to you. Our love and prayers continue to be with the families.
