“ All of the California in-laws loved David and enjoyed having him as part of our family. Rick and I were able to get to know him well during our last four years in Oklahoma. He was a good man and a good friend to all, and he loved children. So sorry none of us have been able to get back to visit. We were able to enjoy his one visit out here after he and Jeanetta were married. Our condolences to all his family. Richard and Nancy Groves
