“ *Sue & Mitch, I'm so sorry for your loss. You are in my prayers. I love Uncle David so much! He was a gem of a person! And, he looked so much like daddy that I had to have a strong attachment to him. He always loved that I crawled on his lap as a lil girl cuz I thought he was daddy. Plus, he was the daddy of my precious cousin, Donna. We all grew up together and I have wonderful memories of holidays spent together, riding bikes up and down old 69, and roller skating our hearts out on Sat nights. Then, later in life, it was so fun to visit Muskogee and drop over to Sue and David's. They are always warm, welcoming, loving, and make you feel special. Such a gift of hospitality. Love him so much and glad that our grief can be lightened because I know of his great love for the Lord. It's not a final good bye but a see you in the by and by. Come quickly, Lord Jesus. “ *My fondest memories of David was when he introduced Sue to our family in Porter, Okla. He was so happy, I will never forget the biggest smile he had on his face. Later my memories were when he and Sue attended the Linzy family reunions and enjoyed all the laughter and fun with the entire family and extended families. David was always a very happy person and so friendly and kind to everyone. He had integrity, He was a gentleman and respect for all the older family members.. He will be missed by family and friends. May he rest in peace.*
