“ My thoughts, prayers, and memories will always burn in my heart for my Marine brother, I missed him when I left the Marine Corp and now I will miss him now that he is gone. We shared many many moments in the 4 years as Marines. We were in boot camp, S.O.I., and even the same Unit Alpha co. 1/1. After watching the video, and seeing us in the pictures, it reminded me that I have one of his "Dog tags" when we separated. Bless you Rogers, Semper Fi, and Red Death my friend..... "San Antonio"

“ I will always remember David's smile and laugh! He was always cracking jokes. I was his favorite Loan Officer and always helped him get financing on his new trucks. I always counseled him too and gave him a hard time and told him he didn't see that new truck. LOL...He always had a good reason for why he thought he needed it, so I would approve the loan, of course, within my approving guidelines. Brian and I would always had David over for dinners when he was having hard times, and try to keep him in an environment to keep him out of trouble. It was so funny when he had his first SPAM sandwich and mac and cheese dinner!!! He said, "Now I know how all the RICH people eat:" LOL...if he only knew that was a poor people's meal!!! We just laughed and laughed over that!!! We helped get him get his paperwork in order for his VA Disability and getting it mailed off in time. He couldn't believe it when he was approved!! He was soooo elated! He always played and joked with our kids and liked when David would come over. He and Brian used to ride motorcycles with Peewee, Tim, Joey and a few others. They were all together when Tim crashed his motorcycle and died on Peak. We all shared some ups and downs over the years. We certainly wished David the best of luck with his personal problems. I wish we could have done more to help. It breaks my heart for his family because I know that it is broken in more pieces than ever. I pray peace and comfort for you all and I would love to see you all and give you hugs to offer some sort of comfort. David touched a lot of lives with his outgoing spirit!! He is loved by many!! In David's words, "Suki Suki, now!!!" XOXOXO
