“ I feel absolutely horrible that I am just finding out that my longtime friend and client Dean is in heaven. He was such a joy to work with at Thompson Seed, he sold me my first live Christmas Tree. God bless the family.

“ I have a lot of good memories of Big Seed dating back to high school.  
I think the best memories, that I will hold on to, will be of the last several years and all the talks we had about any subject that entered our mind. I think we both enjoyed the talks, and our talks never failed to lift my spirit. I going to miss you.
